

# **CP-E ACTIVITY**

## **THE VISION**

The most powerful weapon against evil is Prayer. God has granted us the ability to follow his word and to do his work. We must pray for the power of the Holy Spirit to guide us in our actions. We must pray for the resolve needed to do his bidding. We must pray for the strength to ignore threats to our work and those who would interfere with our efforts.

In order that prayer works rests with our faith in God and the knowledge that what we do pleases Him and can only bring us closer to Him.

## **THE ACTION**

The victims of violent crimes and their loved ones are in desperate need of our prayers to give them the strength that it takes to accept that which has happened to them. They need our prayers so that they may move on with their lives. They need our prayers so that they will be able to forgive those who have taken away someone who has been dear to them.

Those individuals who have taken the life of another or have done some other seemingly unforgiveable deed need our prayers so that they may repent their sins and find forgiveness from God as well as themselves. Our Lord died on the Cross and yet asked His Father to forgive those who were responsible for His torture and death. In order for those who are responsible to change, they need our prayers to help them to find their way to our Lord.

The time is at hand to lead your Council, your family and your Parish to the opening of their hearts.

Organize a Council prayer service at a Parish or at a memorial in your area and pray for all those, victims and perpetrators alike, who have become involved in a crime involving the death of a loved one.

Don't stop there. Continue your efforts to bring light to your Parish by involving them in a prayer service, helping victims and those who have performed a violent and criminal act.
