Come Join Us!

We hope that through our own little yet concerted efforts, come January, we will show the world that the March for Life Chicago stands for all Life and WE are winning the fight against abortion. LOVE SAVES LIFES!

This year among the featured speakers at the Rally and March is our very own Bishop Donald Hying of the Diocese of Gary, Indiana.

All are welcomed (families, singles, youth groups) and encouraged to participate in the March, whether you travel with us, with another group or go separately. Let's show the world that **LOVE SAVES LIFES!**

Why we March: [Coming together in peace and hope](#)

Why MFLC: Its convenient, its free, its inspirational, its prayerful and its Life Saving.

New this year is Family registration. One person can register to up 5 additional family members.

Please note, registrations are on a first-come, first-served basis. We have reserved 3 buses, and once they are full, we will no longer accept new registrations. If you register and your plans change, please let us know right away so we can free up your seat for someone else.
