A MESSAGE FROM TRINITY TOUR TRAVELS

The St. Elizabeth Ann Seton Church Pilgrimage is a faith-filled journey designed to deepen your relationship with Christ through prayer, reflection, and sacred encounters, led by Fr. Mick Kopil and spanning six meaningful days in Washington, D.C. Emmitsburg and Baltimore, where pilgrims experience a powerful blend of spiritual enrichment and historical discovery through daily Mass and visits to some of the most significant Catholic sites in the United States, including the magnificent Basilica of the National Shrine of the Immaculate Conception and the inspiring Saint John Paul II National Shrine, while also taking time for quiet reflection at places like Arlington National Cemetery to honor sacrifice and contemplate faith within the context of American history; the pilgrimage culminates with a visit to the National Shrine of Saint Elizabeth Ann Seton, the home of the first American born saint, where pilgrims gather for Mass, prayer, and personal reflection, along with additional highlights such as the Cathedral of St. Matthew the Apostle and the historic Basilica of the National Shrine of the Assumption of the Blessed Virgin Mary, offering not only the opportunity to walk in the footsteps of the saints but also to grow in fellowship with fellow parishioners while experiencing the rich spiritual heritage of the Church in America.
