

Good Evening fellow knights

It is with great honor that I decided to run again for the Diocese of Gary Representative to the National convention. As a Delegate last year I was able to vote on membership for Kendrick Costillo a eighteen year old young man who gave his life for his classmates. A shooter enters the classroom and Kendrick charged him saving the lives of his entire class but losing his own. You learn so much from fellow Knights all over the world. Many more great things were accomplish and all Indiana knights should be proud of the respect we have from Supreme.

A little bet about me . I have been grand knight for three years now. My first year we received the double Star award. Our council has grown membership from 161 to over 211, run 3 successful blood drive each year, support our church are school, our preschool, free clothing center, our adult day care center for those with Alzheimer and dementia , collect over 2000 pounds of food per month for our local food pantry, run soccer, basketball for the kids and on and on. My best accomplishment was being the bartender for all you guys two years when Gil Spisak ran for office. lol Thanks for your time and may God Bless you each and every day of your life !
