

INDIANA STATE COUNCIL

Knights of Columbus

Craig Hanusin

State Deputy

My Brother Knights,

We were one of the very few jurisdictions last year that conducted a state convention live, thanks be to God. Two bishops graced us: Bishop Rhoades from the host diocese of Fort Wayne/South Bend, and Bishop McClory from the Gary Diocese. We celebrated Mass at the Cathedral of the Immaculate Conception, and the convention was a huge success!

This year is an election year, meaning we will select our next state advocate and state warden, as well as delegates to our Supreme Convention in Nashville, the first week of August, 2022.

Our 121th Annual Indiana State Council Meeting will be conducted April 29th- May 1st, 2022 at the Grand Wayne Convention Center and Hilton Fort Wayne.

Our theme this year: Every Council Active! Many councils have been emerging from the Pandemic year, and have impacted those in need.

We are planning an exciting Convention weekend. As more details come to light, we will publish them in our upcoming, monthly State e-newsletters.

We will strictly enforce CDC and local Allen County Health Department guidelines, meaning that masks must be worn by unvaccinated attendees, and physical distancing maintained, for everyone's safety.

I encourage councils to submit outstanding activities for consideration of State Service Program Awards, STSPA, as the deadline is February 28th, 2022. Bring your council banner to display in our Meeting Chamber.

Looking forward to your presence in Fort Wayne!

FAITH IN ACTION
